

# MENTORING RELATIONSHIPS

Mentoring Process Tearsheet

## RELATIONSHIP BUILDING:

- Mutual Respect
- Joint Accountability
- Confidentiality and honest expressions
- Collaboration by mentor & mentee (partnership role)
- Responsive to AFMAN 36-2643 and perspectives of each other

## MENTORSHIP QUALITIES:

- Mentee has desire to advance and time to be proactive
- Mentor has expertise in the required area for advancement
- Mentor/mentee are trustworthy, nonjudgmental, ethical & good listeners
- Mentee possesses a learning attitude & genuine interest in being helped

Respect, responsiveness  
& accountability are  
critical for a successful  
mentoring relationship

Positive relationship  
building involves training  
of mentor and mentee
