

CPDP

CIVILIAN PROFESSIONALISM DEVELOPMENT PROGRAM

Civilian Professionalism Development Program is a Profession of Arms Center of Excellence tool used to provide a professionalism and leadership development training opportunity to civilians across the Air Force.

Attending is just the beginning...

PACE point of contact: Mrs. Quency Henson
Comm 210-652-4260 (DSN 487-4260)
Quency.Henson@us.af.mil

PACE survey and recent IG results identified gaps in civilian professionalism development opportunities. In a climate of limited resources, CPDP seeks to enhance professionalism and competence of our Air Force by bringing out a better version of our work force.

Volunteers must be...

- ❖ Passionate – no grade requirements
- ❖ Willing to train others
- ❖ Work well with others
- ❖ Approved by their Wing to attend a 4-day TDY at JBSA-Randolph, Texas

TDY is funded by PACE:

- ❖ 3-member team to JBSA-Randolph for training
- ❖ Team members must attend same training class date

Elements of the workshop:

- ❖ Facilitator skills training
- ❖ Professionalism curriculum delivery
- ❖ Wing program execution & sustainment instructions.
- ❖ Curriculum package
 - 26 leadership lessons
 - PACE developed Leader's Guide
